

# LIGHTWEIGHT, HIGH-PERFORMANCE AIR HOSE SOLUTIONS

At Apache, we deliver the highest quality products designed to withstand your most demanding applications. That is why we worked with our suppliers to provide you the latest in rubber air hose technology: BluBird Air Hose.

**BluBird** BY RMX

BluBird rubber air hose features include:

- ▶ An all-rubber hose that is 40% lighter than standard rubber hose
- ▶ Maintains usability and flexibility at extreme temperatures: -50°F to 200°F
- ▶ 300 PSI, 4:1 safety factor
- ▶ Ozone, UV, and abrasion resistance
- ▶ 10 year manufacturer's warranty for hose single space assemblies
- ▶ 2 year manufacturer's warranty for hose reels

BluBird air hoses are available in a variety of styles:

**FIELD REPAIRABLE ASSEMBLED HOSE** includes field repairable fittings and quick release coupler

**ASSEMBLED RUBBER HOSE** available in a variety of inside diameters and lengths

**HOSE REELS** includes 50' hose, and auto-rewind steel reel

### Revolutionary Lightweight Design

As light as the hybrids and 40% lighter than other regular rubber hoses

### Exceptional Strength

Light is not weak anymore. Exceeds RMA IP-2, 4:1 Safety Factor. 10 Year Warranty

### Rubber Construction

Still good old rubber construction. Tried, tested and trusted for decades

### Unmatched Cold-Weather Flexibility

Genuinely usable down till -50F and even colder

Think Forward.
